

What Makes Us Different?

FCS Express focuses not only on data analysis, but on providing all the results you need from your flow cytometry analysis. *FCS Express* minimizes the time that you spend reporting and presenting your data with innovative features like:

- One click Powerpoint™ and PDF™ generation – Instantly create PowerPoint Presentations and PDF documents that look exactly like your analysis
- Create bar and scatter plots
- Rapidly analyze large amounts of data – Batch processing allows you to create Excel™, PowerPoint, Word™, PDF and text documents from hundreds of data files in just a few clicks
- Create your own statistics – combine your flow statistics to get the exact results you need

Sophisticated Analysis

All of the state of the art tools you need for modern flow analysis:

- Multiple plot types
- Hierarchical boolean gating
- Software compensation
- Flexible statistics
- Cell cycle proliferation kinetics
- Markers and quadrants

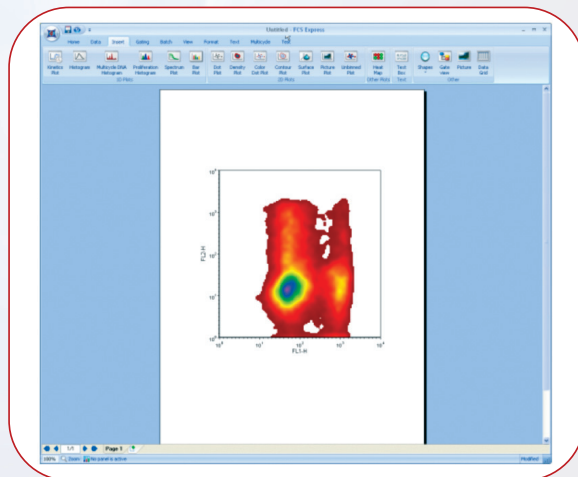

Easy To Use

Along with sophisticated data analysis comes our legendary ease-of-use. Our Microsoft Office™ style user interface allows to work in a Powerful and Familiar environment. All the features you need are at your fingertips:

- Unlimited undo
- Grouping, Aligning
- Sophisticated Drag and Drop
- Customizable workspace

Quality

- Registered with the FDA for IVD Use
- Fully 21 CFR Part 11 compliant
